

SECTION II: STUDENT POLICIES 2050

Grading Policy

Grades are assigned based on the following scale:

A = 90-100%

B = 80-89%

C = 70-79%

D = 60-69%

F = 0 – 59%

Percentages are rounded to the nearest whole number.

Grade Point Average

High School students will have a Grade Point Average (GPA) listed on their transcript. OVCA used a weighted GPA system to determine Class rank, Valedictorian, Salutatorian, and eligibility for Honor Roll and National Honor Society. GPA is determined by total grade points earned by total credits attempted. The following values are assigned to grades in each full year course:

A = 4

B = 3

C = 2

D = 1

F = 0

OVCA honors/Pre-AP level courses taken carry the following weighted value:

A = 4.25

B = 3.25

C = 2.25

D = 1.25

F = 0

Advanced Placement/College courses carry the following weighted values:

A = 5

B = 4

C = 3

D = 2

F = 0

Beginning January 1, 2021, students transferring to OVCA with a Pass/Fail grade can earn course credits, but no GPA points will be given. Thus, Pass/Fail grades will not be calculated into GPA.

Students taking concurrent courses at technology centers that are part of approved Associate in Applied Science degree programs may work with their technology center to obtain a college transcript indicating their applied credits. A student may submit their college transcript to OVCA to be awarded weighted credit based on the guidelines listed above.

Upon transferring to OVCA, prior credits will be transcribed per OVCA weighted grades policy.

Students may repeat a course in which they have earned an F; however, both grades will be reflected on the student transcript and figured into the overall grade point average. One does not erase the other. Credit in a specific subject will only be granted once for that class and the other course will receive credit for an elective class
