

## **SECTION III: STUDENT POLICIES 3150**

---

### **Objectionable Materials Policy**

There may be times a parent finds certain lessons, books or materials objectionable for various reasons. If a parent finds objectionable material, he/she should contact his/her OVCA teacher via e-mail. Teachers work with parents to find alternative lessons to meet the lesson objectives. The assessment or equivalent task to show lesson objectives have been met. Parents should also contact K<sup>12</sup> directly using the feedback option of the OLS.
